Beyond a Seat at the Table

Two-Minute Talk Track

THE WHAT

Two connected components: The Power of Your Voice equips families to lead; From Input to Impact connects recommendations to accountable decisions.

THE WHY

Family knowledge matters, but listening alone is not enough. Institutions need a transparent process for responding and following through.

THE HOW

Train families, document recommendations, identify decision owners, act, measure, and report back. REO connects community resources to agreed solutions.

THE IMPACT

Our goals: stronger family influence, timely institutional responses, and fairer access to quality vibrant learning - measured against a baseline, not assumed.
